SPOKANE FALLS SKYRIDE

For a spectacular view of Spokane Falls during your trip to the 29th National Veterans Wheelchair Games, come and ride the new Skyrider in Riverfront Park. Enjoy a 15 minute ride in an all-weather enclosed cabin. Each of the 15 cabins is **ADA compliant** and can hold up to six passengers. You will travel past the art deco style City Hall, and then gradually drop down 200 feet over the Huntington Park Natural Area. From there, the ride continues across the Spokane River and under the historic Monroe Street Bridge before returning to Riverfront Park.

There is always something new to see. Bring your camera and capture a memorable moment. The cabin windows open for clear photographs. Sometimes, you can even catch a rainbow! The Skyrider is open daily from March through October. Children under 15 must be accompanied by an adult. The Skyrider may be closed during high winds or temperatures more than 100 degrees.

WHERE DO I GET TO LAY MY HEAD DOWN AT NIGHT?

Unless you've made other arrangements (staying with friends, family, etc), you'll probably be staying at one of six hotels in the downtown area that are hosting the athletes and staff. Note: All hotel reservations and arrangements are made by PVA.
